

## XANO extends credit agreements

XANO has, through new agreements, extended the Group's total credit facilities of approximately SEK 1,975 million. This extension secures the financing of XANO's continued growth and acquisition-driven operations.

On 26 May 2026, an agreement was entered into with Nordea Bank regarding a credit facility of SEK 1,500 million, with the option to increase the facility by an additional SEK 500 million through an accordion feature. The agreement has a term of three years, with extension options of a further one plus one year. The previous agreement amounted to SEK 1,700 million and did not include any option for expansion.

With a corresponding term, the credit agreement with Svensk Exportkredit has been extended in respect of a facility of approximately SEK 475 million.
